The four B's – Beer, Burgers, Baseball, and Buddies – summon us to our favorite sports bar, no matter where you happen to live.

With the NY Yankees playing .500 ball, the Mets bullpen stinkin' up the joint, and the Red Sox only a game back of the Orioles, 'tis the season for the air conditioned comfort of your favorite area sport's bar. The following are the top five sports bars in the Danbury area, according to Yelp & Trip Advisor.

### 1 TK'S AMERICAN CAFE – DANBURY

TK's almost closed their doors in '91 until a paper sign in their window advertised "10 cent Wing Night" on Tuesdays. That paper sign saved the bar, and shot TK's into one of the most popular wing restaurants in Connecticut, with lines out the door. They now serve nearly 20,000 wings per week. You can find TK's at 255 White St. in Danbury. Call 203-730-1776.

2 PIPPAS SPORTS CAFE - DANBURY

3 O'BRIENS SPORTS PUB & RESTAURANT - DANBURY

4 FIRST AND TEN SPORTS BAR AND GRILLE - NEW MILFORD

5 THE MEETING HOUSE PUB - BETHEL
